The documents from the EABC meeting on May 13th.  
<http://www.misrc.umn.edu/eabc/meetings/>

- Status and opportunities related to the top-10 suggestions (from the sub committee deliberations) to increase MIS enrollment.
- The spreadsheet contains the information that we discovered as well as information on the status of initiatives that are already under way. In addition, the attached article talks about a High School camp initiative that was undertaken by University of Cincinnati. It talks about an industry academia partnership towards very similar goals.
