

2014-15 EABC Planning Meeting
August 25, 2014

Agenda

Recap of IDSc Summer Activities and 2014-15 Goals – Alok

Review the mission of the EABC

- Leverage the experience of board members to guide and influence the structure of the Carlson school MIS program - PhDs, MBAs and Undergrads Make the students more marketable.
- Enhance the reputation of the overall program Driven by the business community, not the faculty.
- Serve as a medium to discuss and resolve challenges faced by the MIS department
- Strengthen the ties between the Carlson School and the business community.
- Serve as a resource for faculty bringing business experience into the classroom.
- Provide a foundation for innovation in our curriculum.

Overall Board Goals for 2014-15

- Uphold the mission of the EABC
- Align more closely with IDSc Goals
