Agenda and Minutes			
--------------------	--	--	--

Topic	Description	Who	Purpose
Meeting Start	Call the meeting to order at 7:30	Mary Texer	Kickoff
Help Needed	Class speakers – roles have been filled Case competition – more students than ever <ul style="list-style-type: none"> • Looking for more CoMIS judges • No restriction on numbers from each company – could be 3-4 per company • Needs a total of 12-14 judges • Expecting 30+ students Enterprise Systems Class <ul style="list-style-type: none"> • Students find the new materials challenging Set of Exercises <ul style="list-style-type: none"> • Coming soon. They will be part of SAPs University Alliance. Everyone who teaches the class has access Poets and Quants – Corrie was interviewed. She will let us know if her interview gets published.	Corrie Fiedler	Needs
SAP/ERP Paul Wellman Chris Bretoi Corrie Fiedler Mary Texer	SAP: <ul style="list-style-type: none"> • Dr. Michael Nuerenburg – SAP Alliance – Paul has checked to see if anything new – waiting to hear back • Alex McNeal – US University Alliance head – also waiting to hear back • Is there a better way for the University to focus – technical training vs. strategic perspective • Looking at local universities – see what they are doing – are they more focused vs. enterprise? • Looking at St. Cloud (BASIS and ABAP), St Thomas Accounting (Financial Information Systems), and Metro State (Multiple ERP Systems including SAP, Oracle and Microsoft Dynamics) 	Paul Wellman	Inform
CoMIS Tim Boos Alex Carlon Rob Kehr Steve Arsenault	Accomplished: <ul style="list-style-type: none"> • Set framework with CoMIS team • Committee goal – to help team manage themselves • Team has board to be accountable to • They can use the board as a needed resource • First formal meeting is this Friday. • Significantly ahead of last year • Goal is to have someone from the Governor’s office at the final round for 	Tim Boos	Inform

EABC Meeting

	the March 28 th competition. Mary Texer will pursue		
Curriculum Todd Loncorich Steven Christopher Matt Schmidt Brent Murray	<p>Curriculum:</p> <ul style="list-style-type: none"> Looking at other U.S. curriculums Using Top 10 from US News & World Report Carlson is in Top 3 MIS programs according to US News & World Report <p>CSC – looking at opportunities to merge classes and opportunities between MIS and CSC</p> <p>CCE – students also take Project Management and other classes from CCE (College of Continuing Education)</p>	Todd Loncorich	Inform
Diversity Jessica Sun Kate Siegrist Mike Mcfarlane Kathy Shields	<p>Update:</p> <ul style="list-style-type: none"> Send Diversity & Inclusion company contact names to Jessica Sun Kate – follow up with Business Analytics on their projects. Our Diversity group’s project wouldn’t fit because they are looking for companies to pay. However, it may be a project students are interested in doing for experience – Kate is waiting for response Mike – also trying to engage with Fright Week (for undecided majors). Mike connected to get more women on the panel. They didn’t need our help. Mike talked with the Cargill recruiting team at Cargill about getting more women in MIS. Potential – set up table with various companies to talk about careers for women in MIS 	Jessica Sun	Inform
IDSc Overview	<p>Update:</p> <ul style="list-style-type: none"> Start of school year – all classes are full with waiting lists Programming classes are full too. 160 programming students. 300 majors; 50 non-majors Alok is requesting four additional faculty Limiters to adding classes – both labor and rooms are barriers Waitlists = 20 per class United Health is looking for 250 new IS people in Midwest 3M also looking for big numbers MIS – stable numbers over the years; taking students from Supply Chain Lots of dual majors (Finance / Accounting) Board could talk to Dean about future needs and company’s pipeline growth and replacements using metrics. Steve Arsenault would help Mary Texer will talk with Alok – could invite Dean to a meeting; could include company CIOs in the same meeting Background in prep of meeting with Dean – look at limiters by priority like computers 	Tim Olson	Update
