Agenda and Minutes			
Topic	Description	Who	Purpose
Meeting Start	Call the meeting to order at 7:30	Mary Texer	Kickoff
IDSC Department Updates	<ul style="list-style-type: none"> The start of the school year has gone well. The Business Analytics undergrad minor admin/paperwork has been completed and submitted – it is on track for starting next year. The course title changes worked on last year are on track to be submitted and reviewed at the same time. MIS major is recognized as the highest paying job. Overall classes are full with full waitlists. 	Shawn Curley	Update
CoMIS Update Tim Boos Alex Carlon Pat Keran Ken Reily Mary Texer	<ul style="list-style-type: none"> CoMIS competition is scheduled for March 29th to April 1st. There are 21 teams who have expressed interest from 8 countries. They will soon be asked for a deposit to reserve their spot in the competition. The total # of teams for the competition will be capped at 20. The ideal # competing is 16. The student team has submitted a budget proposal and is on track to effectively managing expenses. Tim Olson and Chris Bretoi will connect to schedule the 3M onsite visit. 	Alex Carlon	Inform
Corporate Engagement Mike Mcfarlane Ben Amel Kevin Kuhn Todd Loncorich Kate Siegrist	<ul style="list-style-type: none"> Draft proposal of the marketing material has been submitted and is being tested. Go-to-Market effort is getting started. Faculty engagement inventory is in process. Kevin is working with Ravi to potentially publish a business magazine article and secure an analytics tool to support Corp Engagement efforts. 	Mike Mcfarlane	Inform
Curriculum Matt Schmidt Jessica Bottensek Chris Bretoi Rob Kehr Brent Murray Tim Olson Zach Silverman	<ul style="list-style-type: none"> The team is prioritizing and assigning resources to work on the goals identified in the planning session. The spring Agile class was identified as a priority to continue and support. Visual Basic is the programming language taught by IDSC. Important to support the Business Analytics undergrad minor. Depth vs breadth in the curriculum: SAP, Security, Database, Cloud Consider career counseling support to highlight education tracks by role (e.g., Business Analyst, Project Manager, Data Architect, Management, Programmer)s 	Matt Schmidt	Inform
Student Feedback	<ul style="list-style-type: none"> The committee discussed the feedback provided by a former student. The discussion provided additional input to the Curriculum committee captured above. 	Mary Texer	Discussion
